Antiquated windmills and Northern Europeans-style architecture punctuate the little village's skyline. Brilliant sunshine, boundless open country and rolling hills- these are the characteristics of what the original Danish immigrants called "Solvang," or "Sunny Field." Afterwards, pay a visit to the ornate Hearst Castle that was built by the newspaper tycoon at the cost of the millions of dollars. Hearst Castle contains priceless antiques and works of art as well as an ornate gilt-bordered swimming pool. European type adornments grace the ceilings of the hall.

Day 5 Yosemite National Park - Los Angeles

In the morning, you will visit California's best-known Yosemite National Park, one of the wonders of Nature. Yosemite is located near the geographical center of the Nevada mountain range. Towering granite rocks, mighty waterfalls and placid valleys give Yosemite all the aspects of a "land of the gods" Giant trees, water gushing from the mountains, huge rocks and cliffs carved to create a land of fantasy. There is little doubt that water – in both its liquid and solid form – was the chief architect of Yosemite's landscapes. Proceed to Los Angeles in the afternoon.
